

4TH & SWIFT

621 North Avenue NE Atlanta, GA 30308
678-904-0164

Brand new to the restaurant scene, 4th & Swift is soon going to be one of the next spots where it is hard to get a table. Chef, Jay Swift, formerly of South City Kitchen, is known for his down home seasonal comfort food.

The food is perfectly paired with the rustic atmosphere creating a one of a kind dining experience. We love trying new and exciting restaurants. You will surely be missing out if you don't go and see for yourself.
