### Handsome Devil at 4th & Swift

James Ives, bar manager at Midtown's [4th & Swift](#), claims that a desire to play with Italian bitters, rather than the devil, made him do it. Whatever the inspiration, the Handsome Devil (\$11) is worthy of Mick Jagger's sympathy thanks to its decadent scarlet hue and daring blend of Campari, Barsol Pisco (Peru's national spirit) and Luxardo Maraschino (an Italian cherry-flavored liqueur), with just the perfect pinch of salt, gum syrup and organic grapefruit tincture.
